RoHS/WEEE & TSCA Statement

We recognise responsibilities to the environment as well as its customers.

With the advent of the:

- RoHS Directive 2011/65/EU
- RoHS Directive amendments 2015/863 & 2017/2102
- WEEE 2012/19/EU (Waste Electrical and Electronic Equipment) directive
- The Toxic Substances Control Act of 1976 (TSCA)

We have reviewed our processes to ensure we are able to assist our customers to meet their responsibilities regarding these directives.

We respond to our customers' requirements by sourcing product to the exact specifications as set forth by the customer.

Although it remains the responsibility of the customer to accurately detail the exact product specifications, we shall, as always, endeavour to assist with any necessary fact finding to supply the product required.

We cannot declare nor certify the chemical properties of resale components about RoHS, WEE or TSCA compliance.

The declaration of chemical properties and RoHS compliance remains the responsibility of the component manufacturer.

We will advise the RoHS status of the product at the time of quotation.
