ABOUT US

INTRODUCTION

“Strikefan Electronic Co., Ltd 斯翠可電子股份有限公司” established in 2005, is a high-tech AC/DC cooling fan company providing core service for thermal solutions with professional technology, R&D, integration and distributing and marketing.

With factories based in Taiwan and China, high quality products, practical application designs, dedicated services and long-term relationship customers around the world, Strikefan's own brand “STK” has been introduced to satisfy all kinds of cooling fan markets with its rich experience.

Targeting to be “the leading service provider in integrated thermal information technology” and vision of creating the optimized benefits and best quality for our customers”, Strikefan has developed a leading technology for its copper tube design that can be applied in many industries in need of high efficiency and competitive lead time.

QUALITY ACCREDITATIONS AND APPROVALS

Achieved ISO 9001 2008 and ISO14001 certifications. The products owned meet UL, CUL, TUV and VDE standards approved by the certificates owned and reaches RoHS requirements.

PRODUCT PORTFOLIOS

DC Fan Series

- Axial Fan
- Blower
- Frameless Fan
- Centrifugal Fan
- Cross Flow Fan
- Golf Fan
- Metal Frame Fan

AC Fan Series

- Axial Fan
- Blower
- Outer Rotor Fan
- Centrifugal Fan
- Cross Flow Fan
- Shaded Pole Motor
- TA Axial
- Portable Ventilator
- Exhaust Suction Fan

Thermal Solution

- CPU Cooler
- Thermal Pad
- Liquid Cooler
- ARGB Fan
- Chipset Cooler
- Duct Fan
- Multi-Piece Exhaust Fan
