## ABOUT US

### INTRODUCTION

Since 1998, Greenconn has been dedicated to providing PCB-mounted connectivity solutions while maintaining environmental sustainability standards. Over the last two decades, we have expanded our operations from Taiwan to mainland China, with our headquarters now based in Ganzhou, China. We also have several offices operating in Shenzhen, Kunshan and Toronto to serve our customers worldwide.

Our business endeavor has transformed us from a small connector manufacturer to one of the world's leading connectivity specialists. Our solutions have helped connect innovative technologies in industrial, automotive, and consumer segments that shape the world we cherish today.

### QUALITY ACCREDITATIONS AND APPROVALS

Greenconn production centers have been certified for ISO9001:2008 and IATF16949:2016 for automotive production. The certification for ISO14001:2004 has proven that with continuous effort, Greenconn is able to produce environmentally friendly products meeting RoHS and REACH standards. Its products also achieve UL, CSA, VDE and other certifications.

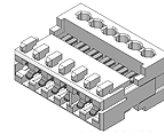

## PRODUCT PORTFOLIOS

---

### Wire to Board Connectors

- Wafer Headers
- Ejector Headers
- FPC/FFC Headers
- IDC Connectors
- RAST IDC

### Floating Connectors

- Floating Connector Products

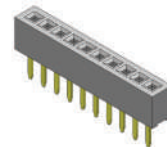

### I/O Connectors

- RJ45
- D-Sub
- USB

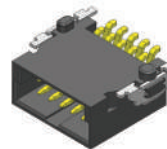

### Board to Board Connectors

- Pin Headers
- Female Headers
- Box Headers
- Plug Connectors
- High speed Connectors

### Automotive Connectors

- Automotive Electrical Connectors
- Press-Fit

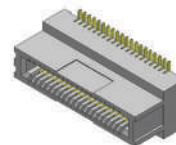

### Customized Connectors

- Waterproof Connectors

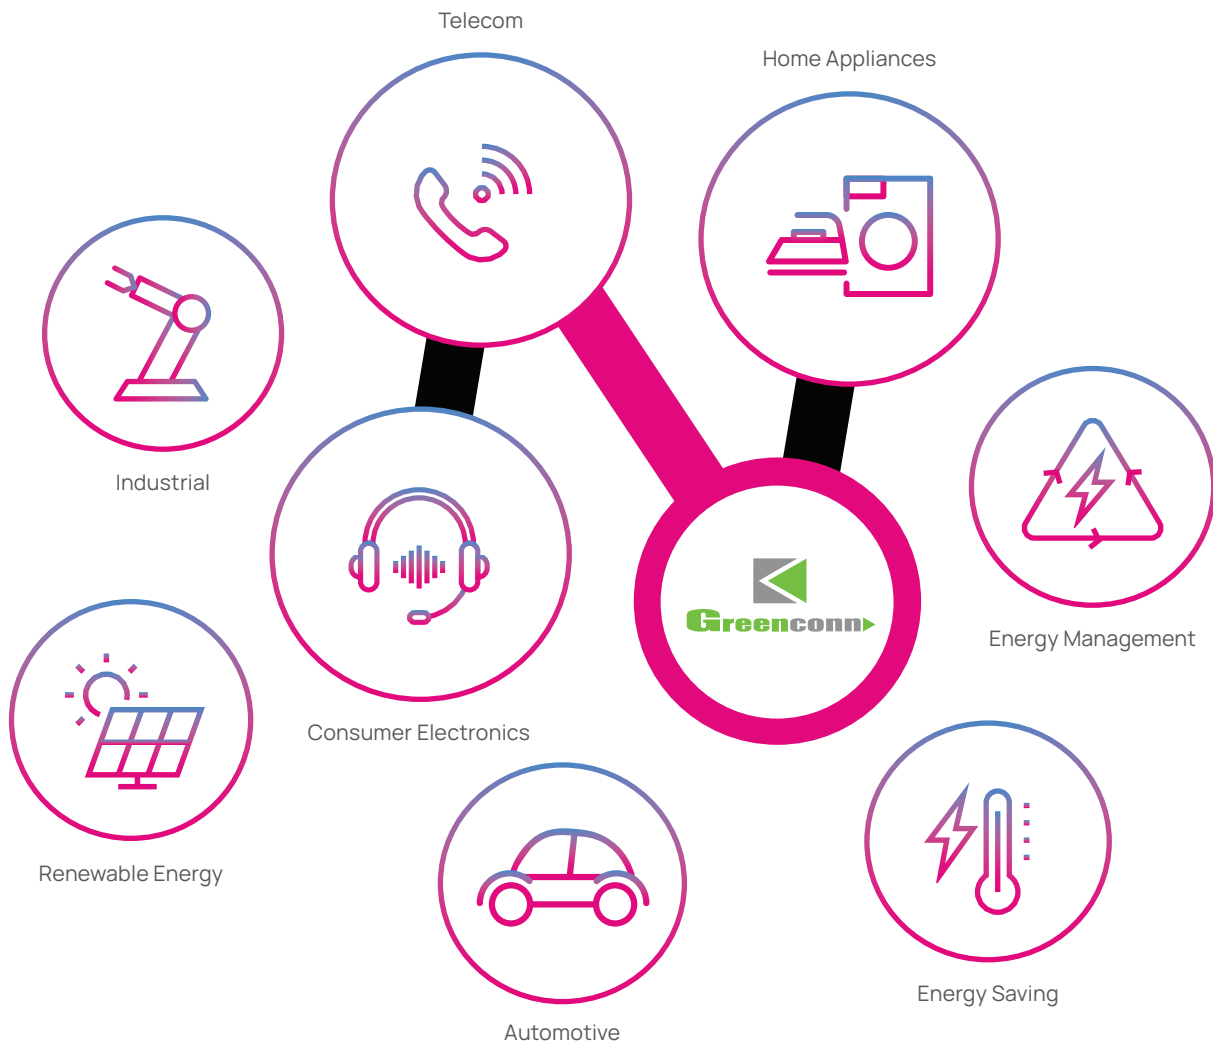

### Card Edge Connectors

- PCI
