SHORI

ABOUT US

INTRODUCTION

TAIWAN SHORI ELECTRIC CO., LTD. was established in Taiwan in 1991. As a trustworthy manufacturer based in Taiwan, we've set up a manufacturing plant in China in 1996. We specialize in research and manufacture of relay and have a group of excellent RD and manufacture team.

Shori has been enjoying excellent reputation in the production of relay. Shori insists on offering excellent quality to satisfy customers' requirement. We'll continue to research and develop high-tech relay and set up automation production line, to arrive at our innovation goal. Shori has a series of Electromagnetic relay, including telecom relay, power relay, industrial relay, home appliance relay and automotive relay.

We not only produce standard relay but also design and research with customer for OEM&ODM order. Shori continues to grow by supplying quality relays with professional technical support and competitive pricing for all customers.

QUALITY ACCREDITATIONS AND APPROVALS

Achieved ISO 9001 2008 and ISO14001 certifications. The product meets UL, CUL, TUV and VDE standards approved by the certificates owned and reaches RoHS requirements.
