

# FRANCHISE Line Card

## Nuvonix By Rebound

Distribución de semiconductores con alcance mundial y apoyo local. Basándonos en nuestra gran experiencia en el mercado y nuestros conocimientos técnicos, estamos en disposición de ofrecer una amplia gama de fabricantes de alta calidad homologados para la industria de la automoción y electromedicina pudiendo así cubrir todas sus necesidades.

Reduzca el riesgo  
de su cadena de  
suministro

Atractivos  
plazos de  
entrega

Precios competitivos

### Discretos (Semiconductores)

Diodes, Transistors, MOSFET, IGBT, Silicon Carbide  
SiC, LEDs, TVS

### Semiconductores (Integrados)

Linear, Converter, Interface, Power Management IC,  
Op-Amp, Comparator, Isolator, Driver, Optocoupler,  
Transceiver

### Electromecánicos

Relay, switch, fuse, fan

### Pasivos

Inductor, Choke, Transformer, Capacitor, Crystals,  
Resistors, Potentiometer, Varistors, Thermistors, GDT

### Condensadores

Electrolytic Capacitor, Film Capacitor, Ceramic  
Capacitor, Tantalum Capacitor, Polymer Capacitor,  
Supercap

### Interconexión

Amplia gama de conectores

## Ventaja y Flexibilidad

Ofrecemos a nuestros clientes comodidad y flexibilidad a través de nuestras oficinas y servicios internacionales. Trabajamos con EMS y clientes finales, ubicados en todo el mundo con requisitos muy distintos.

Podemos ofrecer a cada cliente soluciones a medida, a través de nuestras oficinas locales con un único punto de contacto, estando éste respaldado por ingeniería de aplicaciones, soporte técnico, cadena de suministro global y logística regional.
